pH		5.2	5.5

TYPICAL ANALYSIS

Raw material: Barley malt

Product: Roasted malt

Usage:

Stout, Porter, Scottish Ale, dark Belgian beers, Brown Ale.

Description:

Platinum Swaen® Cappu is the world's first-ever Cappuccino malt – crafted from thoroughly selected barley, roasted to a profile of coffee and chocolate undertones. The result is a soft, rounded mouthfeel without any astringency, opening up a striking new flavour dimension for brewers looking to push beyond the traditional malt palette.

Rate:

Up to 10%.

ITEM PACKAGING

25kg bags, bulk, bulk in liner bag in container.

STORAGE AND SHELF LIFE

Store in a temperate, low humidity, pest free environment at temperatures of < 20°C. Improperly stored malts are prone to loss of freshness and flavour. Preground Malts best when used within 6 months from date of manufacture. Whole Kernel Roasted Malts may begin experiencing a slight flavour loss after 24 months.

All our malts are manufactured in strict conformity with the internationally accepted requirements HACCP (Hazard Analysis of Critical Control Points). All our malts conform to EU and International regulations regarding the maximum allowable residues of pesticides, herbicides, fungicides, insecticides, as well as traces of mycotoxins and nitrosamines. All our malts are transported only by GMP-certified transporters.
